# THE COURSE

This NRA approved Rifle Training Course is aimed to provide a comprehensive introduction to full bore rifle shooting.

This is a “fast track“ way of getting your Firearms Certificate. As you may already be aware, you cannot simply put in for an FAC.

At the end of the course, upon completion and (hopefully) passing, you will receive a letter of recommendation from us, to put in with your application form, to state the training you have undergone.

This course is suitable for complete beginners, that have never shot a rifle, upwards, as it starts from the basics.

When you sign up, you will be sent pre-learning material which should be read prior to the course starting. Although you will be taught the information during your days with us, there will be **a lot** of information delivered to you, so it would be of great benefit for you to read through the pre-learning material, to familiarise yourself ahead of time.

## WHEN IS THE COURSE?

The intensive course learning will be over 2 days. Please speak with a member of the Reception team for dates if there are none listed on the website which suit you.

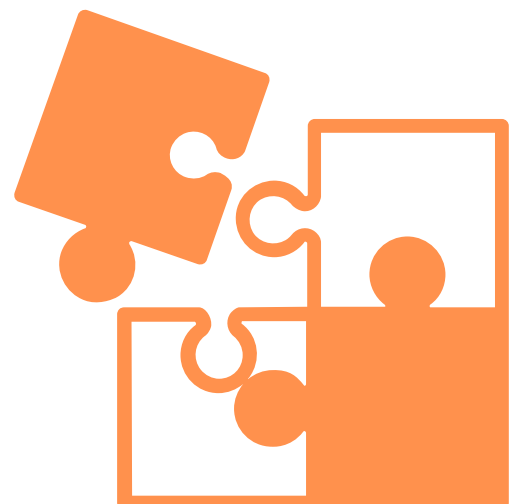

Following the course, you are then required to do a minimum of 4 x practice sessions, but are welcome to do more.

You must remain as a probationary member for 3 months following your 2 days of learning. At the end of this 3-month period, providing all required practices have been completed, you may then take out full membership and receive your completion paperwork to put in for your firearms application.

**Start time for each day is 9:30am - 4pm (approx finish time).**

You will receive 3 vouchers (1 x .22, 1 x .223 & 1 x .308) where your practice session, including ammunition, is FOC. The other practices have a fee (as per the 'course cost summary' page, where practice costs are listed). There is no fee for gun hire for these practice sessions.

You will need to book a lane for practice, via our website (but this will be explained to you during the course).

**[www.cambridgegunclub.co.uk/rifle-range/rifle-range-booking](http://www.cambridgegunclub.co.uk/rifle-range/rifle-range-booking)**

Dates will open approximately 2 weeks ahead. If the date is not showing as available to book within that 2 week date range, the range is full/unavailable. Naturally weekends will book up faster than weekdays.

You do not need to pre-arrange your guns/ammo etc. You just request them from the gun shop on arrival to your session, after visiting reception.

If you need to cancel a booking, you can do so via the confirmation email you would have received when you made your booking. Scroll down to the bottom, there is a cancel button. Please ensure you cancel your space if you are unable to attend.

# MEMBERSHIP & COURSE COMPLETION

On completion of the training course, you must take out full membership of our range, for us to issue your letter of recommendation and for you to therefor put in your firearms application.

Your letter of recommendation is valid for 12 months from date of issue (the day you take out membership). You may continue to be a Probationary Member with us for a grace period of 6 months from your course completion date (Mod 4/5), if you do not wish to/cannot do your membership straight away. Please note, whilst you remain as a probationary member, lane fees of £15 still apply.

The annual membership fee allows you to use the range, with no time/usage caps without lane fees. Full membership is usually £300 per year and runs for a 12-month period from the date of joining. The full membership is discounted for you to £250 for the first year, as you have undertaken the course.

A membership card is issued once you become a full member.

If you do not take out full membership, you will not receive your letter of recommendation, thus you cannot apply for your FAC.

As above, you **MUST** do your membership within 6 months of course completion. It is your responsibility to keep an eye on this, we will not chase people or send reminders about this period coming to an end.

*If you have extenuating circumstances for why you cannot do your membership etc within the outlined time frames, please get in touch.*
